Table notes

Although the headline ranking figures show changes in the data year to year, the pattern of clustering among the schools is equally significant. Some 220 points separate the top programme, University of St Gallen, from the school ranked 70th. The top 12 participants, from University of St Gallen to Edhec Business School, form the top group of masters in management providers. The second group, headed by Grenoble Graduate School of Business, spans schools in the third group to 32, a range of 37 points. Differences between schools are small within this group. The 21 schools in the third group are similarly close together. Maastricht School of Business and Economics, which heads this group, is 33 points above ICN Business School, the last school in the third group. The remaining 17 schools make up the fourth group.
